For the attention of Tim Barker and Chris Raine – South Norfolk Council Planning Department

Easton Neighbourhood Planning Area

As a relevant body, in accordance with section 61G of the Town and Country Planning Act 1990 Act and Section 5C of Neighbourhood Planning Regulations 2012, Easton Parish Council is applying to undertake a Neighbourhood Development Plan for the Parish of Easton.

Our neighbourhood area will be the whole area within the Parish boundary of Easton and will be known as 'Easton Neighbourhood'.

This area has been chosen because:-

- It is our natural community.
- It can accommodate growth which is acceptable to the local community and is aligned to strategic national and local area policy and guidelines.
- There is comprehensive evidence under existing outline planning application reference 2014/2611 that residents of the Parish wish to get the right type of development for their community.

We hereby apply to designate a neighbourhood planning area as outlined above and shown in the attached plan and would very much appreciate your acknowledgment of same.

Cllr Linda Ford

Chair Easton Parish Council

Cllr Peter Milliken
