Geldeston and Gillingham Neighbourhood Area Application.

On behalf of Geldeston and Gillingham Parish Councils, I am pleased to confirm that they have agreed to develop a Neighbourhood Plan jointly.
The Councils now wish to apply for the designation of a Neighbourhood Area.

I enclose a map identifying the Neighbourhood Area to which this application relates. The Neighbourhood Area covers the whole of the parishes of Geldeston and Gillingham.

In compliance with Regulation 5 of The Neighbourhood Planning (General) Regulations 2012, Geldeston Parish Council is making this application as a relevant body, i.e., a parish council, for the purpose of section 61G of the Town and Country Planning Act 1990.

Both Geldeston and Gillingham are located geographically along the border of the Broads National Park. To coordinate protecting the Natural Environment, meeting the joint shared services needs, and considering the demands and integration of

Please do not hesitate to contact me if you require any further information.
