DECLARATIONS OF INTEREST AT MEETINGS

When declaring an interest at a meeting Members are asked to indicate whether their interest in the matter is pecuniary, or if the matter relates to, or affects a pecuniary interest they have, or if it is another type of interest. Members are required to identify the nature of the interest and the agenda item to which it relates. In the case of other interests, the member may speak and vote. If it is a pecuniary interest, the member must withdraw from the meeting when it is discussed. If it affects or relates to a pecuniary interest the member has, they have the right to make representations to the meeting as a member of the public but must then withdraw from the meeting. Members are also requested when appropriate to make any declarations under the Code of Practice on Planning and Judicial matters.

Have you declared the interest in the register of interests as a pecuniary interest? If Yes, you will need to withdraw from the room when it is discussed.

Does the interest directly:

1. affect yours, or your spouse / partner's financial position?
2. relate to the determining of any approval, consent, licence, permission or registration in relation to you or your spouse / partner?
3. Relate to a contract you, or your spouse / partner have with the Council
4. Affect land you or your spouse / partner own
5. Affect a company that you or your partner own, or have a shareholding in

If the answer is "yes" to any of the above, it is likely to be pecuniary.

Please refer to the guidance given on declaring pecuniary interests in the register of interest forms. If you have a pecuniary interest, you will need to inform the meeting and then withdraw from the room when it is discussed. If it has not been previously declared, you will also need to notify the Monitoring Officer within 28 days.

Does the interest indirectly affect or relate any pecuniary interest you have already declared, or an interest you have identified at 1-5 above?

If yes, you need to inform the meeting. When it is discussed, you will have the right to make representations to the meeting as a member of the public, but must then withdraw from the meeting.

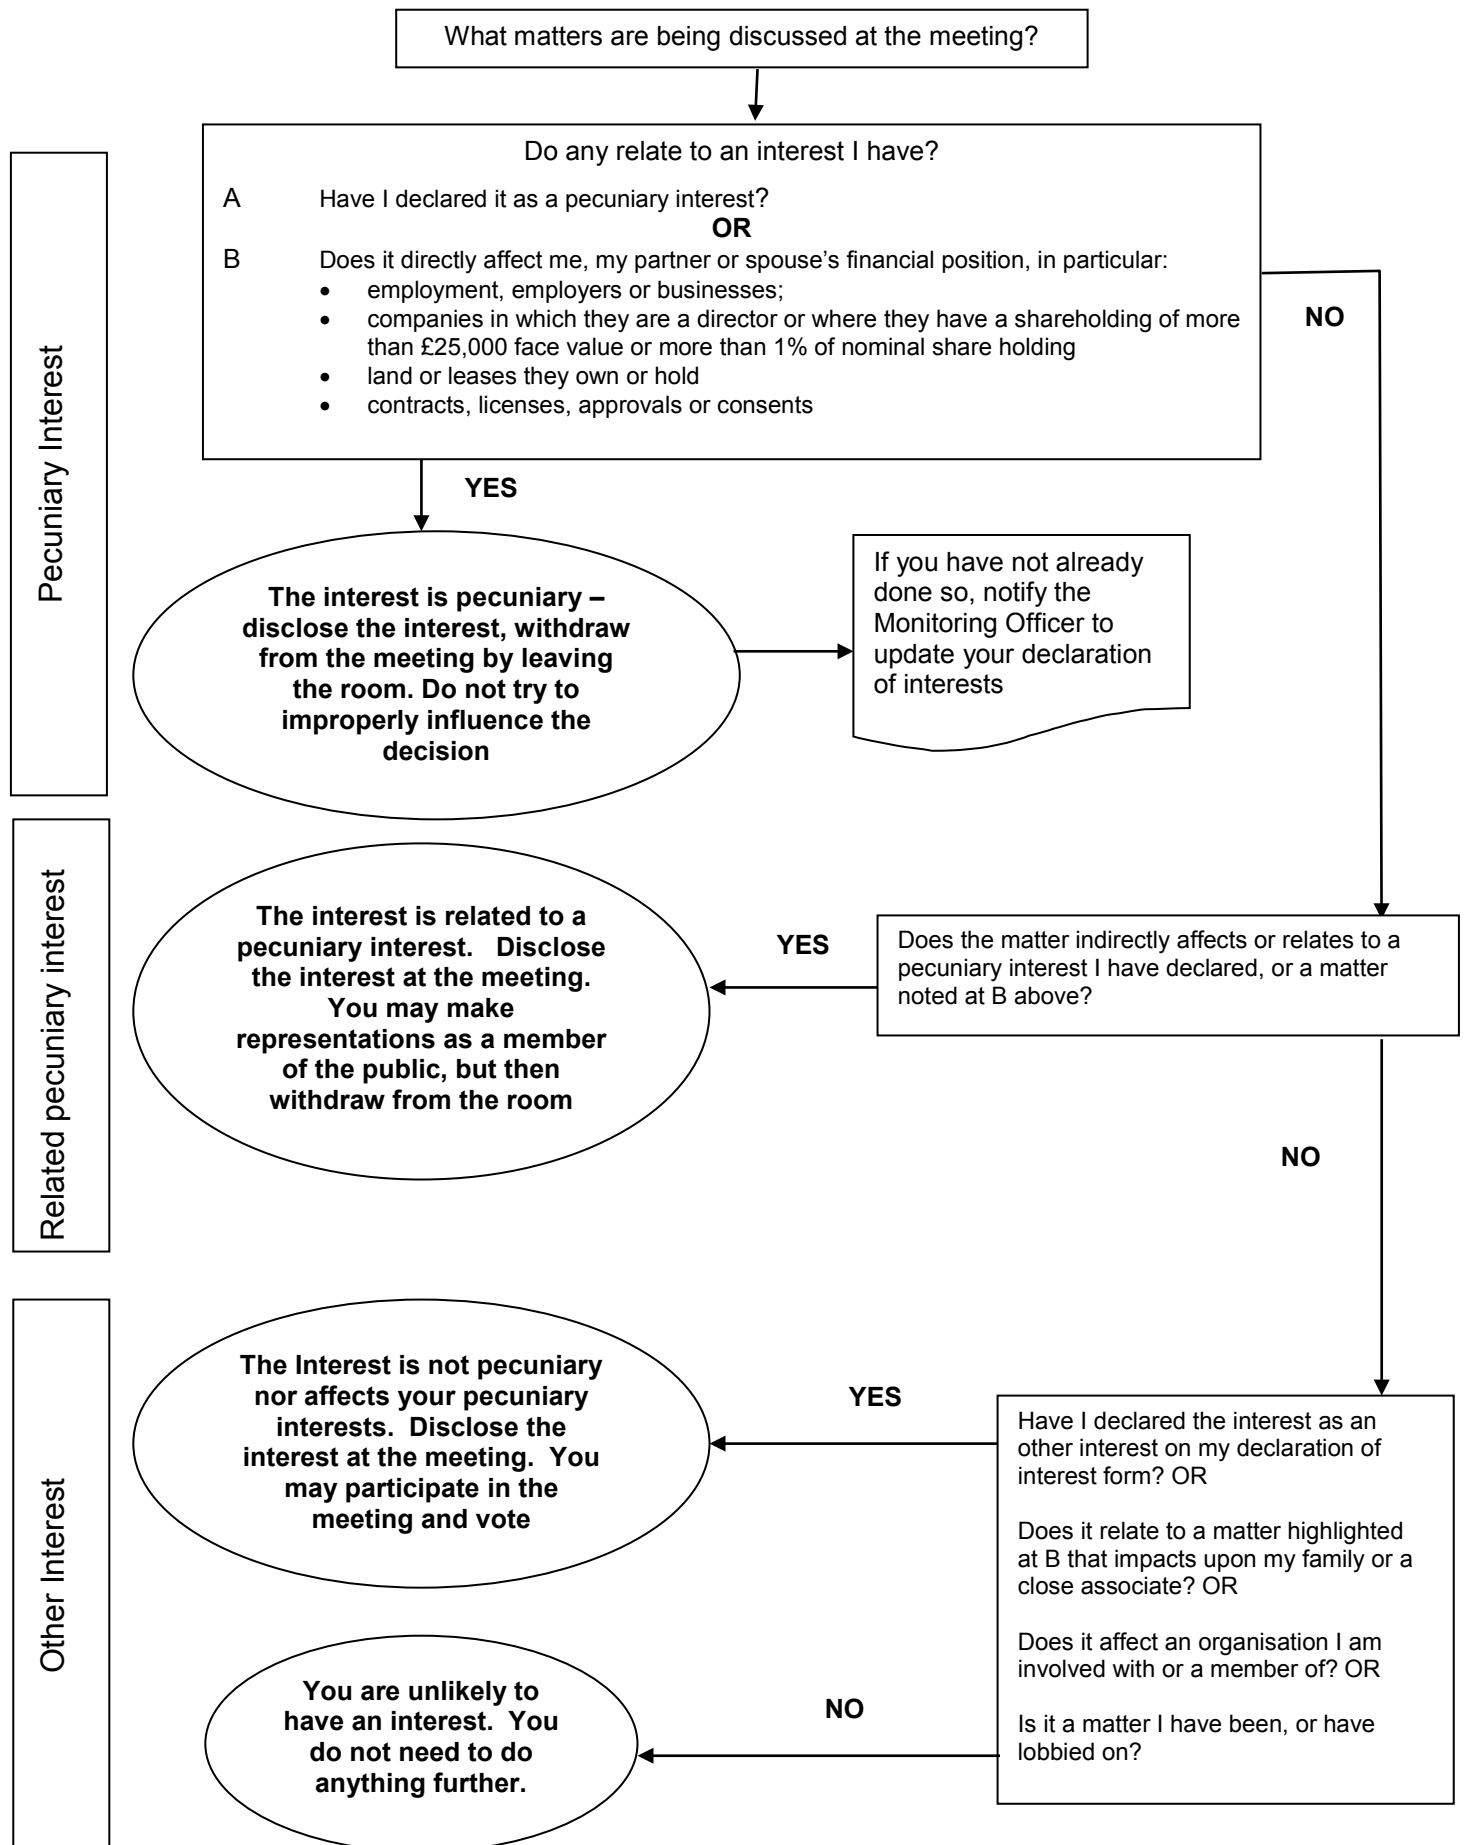

Is the interest not related to any of the above? If so, it is likely to be another interest. You will need to declare the interest, but may participate in discussion and voting on the item.

Have you made any statements or undertaken any actions that would indicate that you have a closed mind on a matter under discussion? If so, you may be predetermined on the issue; you will need to inform the meeting, and when it is discussed, you will have the right to make representations to the meeting as a member of the public, but must then withdraw from the meeting.

FOR GUIDANCE REFER TO THE FLOWCHART OVERLEAF.

Licensing Act 2003: Full Variation Application – PLA0298

Recreation Ground & Leisure Centre, Wilderness Lane, Harleston

Report Author(s): Amanda Cox, Licensing and Enforcement Officer
01508 533621
acox@s-norfolk.gov.uk

Portfolio: Regulation and Public Safety

Ward(s) Affected: Harleston

Purpose of the Report: To determine a full variation application for the
Recreation Ground & Leisure Centre, Wilderness
Lane, Harleston

Recommendations:

The Sub-Committee is expected to make its determination based on an assessment of the evidence on both the risks and benefits for or against making the determination, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

The Sub-Committee must make its determination within the period of five working days beginning with the day or the last day on which the hearing was held.

Where a licensing authority determines an application, it must notify the determination and its reason of making it to –

- (a) The holder of the licence
- (b) The applicant
- (c) Any person who has made relevant representations, and
- (d) The chief officer of police for the police area in which the premises are situated

1. SUMMARY

- 1.1** The purpose of this report is to determine a full variation application that has been made by Redenhall with Harleston Town Council for a full variation application for the Recreation Ground and Leisure Centre, Wilderness Lane, Harleston. Relevant representations have been made regarding this application.
- 1.2** Given the above, the application must be determined by a hearing of the Licensing and Gambling Acts Sub-Committee.
- 1.3** In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:
- The steps that are appropriate to promote the licensing objectives;
 - The representations presented by all parties;
 - The revised guidance issued under section 182 of the Licensing Act 2003;
 - South Norfolk Council's Statement of Licensing Policy published in January 2016
- 1.4** The licensing objectives are:
- The prevention of crime and disorder;
 - Public safety;
 - The prevention of public nuisance;
 - The protection of children from harm;

2. BACKGROUND

- 2.1** South Norfolk Council is the authority responsible for issuing licences within the district under the Licensing Act 2003, which came into effect on the 24th November 2005.
- 2.2** Since the Licensing Act 2003 came into effect, further legislative amendments have been made through the Live Music Act 2012 and the Deregulation Act 2015.
- 2.3** An application was made on the 7th February 2019 by Redenhall with Harleston Town Council. The application form is attached as Appendix 1 and site plans showing the existing licensable areas and proposed licensable areas are attached as Appendix 2.
- 2.4** The application requests to extend the licensable area to the boundary of the site excluding the children's play area for the provision of plays, films, indoor sporting events, boxing/wrestling entertainment, live & recorded music, performance of dance, late night refreshment and the supply of alcohol. The existing and proposed timings are attached as Appendix 3.
- 2.5** In addition, the application requests to remove and insert conditions contained under the operating schedule.
- 2.6** Following the statutory consultation, a representation was received from the Planning Department raising no objection but making the applicant aware of the restrictions in place to prevent a change of use of land being required. A copy of the representation and the applicant's response are attached as Appendix 5.
- 2.7** A representation was received from the Licensing Team at Norfolk Constabulary requesting the addition of conditions to be added to the operating schedule. A copy of the representation is attached as Appendix 6.
- 2.8** A representation was received from the Environmental Protection Team at South Norfolk Council requesting the addition of conditions to be added to the operating schedule. A copy of the representation is attached as Appendix 7.

- 2.9 A representation was received from Anchor Hanover on behalf of the residents of Malthouse Court raising objections under the licensing objective of the Prevention of Public Nuisance. A copy of the representation is attached as Appendix 8. In addition, concern was raised regarding the notification of the application which I have addressed in my reply attached as Appendix 9.

3. CURRENT POSITION / FINDINGS

- 3.1 The date sections highlighted in yellow in the Environmental Protection representation have been updated as follows – six weeks, eight weeks and six weeks respectively.
- 3.2 At the time of writing this report the applicant has not confirmed their agreement to the Norfolk Constabulary or Environmental Protection representations.

4. PROPOSED ACTION

- 4.1 The application must be determined by a hearing of the Licensing and Gambling Acts Sub-Committee, as under the Act, determination may not be delegated to officer level. This determination should only be made in relation to the received representation relevant to the content of this application, the four licensing objectives, the Revised Guidance issued under Section 182 of the Licensing Act 2003 and South Norfolk Council's Statement of Licensing Policy published in January 2016.

5. OTHER OPTIONS

- 5.1 The authority must, having regard to the application and any relevant representations, take such steps mentioned below (if any) as it considers appropriate for the promotion of the licensing objectives.

The steps are –

- (a) to modify the conditions of the licence;
- (b) to reject the whole or part of the application;

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

- 5.2 Conditions on a premises licence are important in setting the parameters within which premises can lawfully operate. The use of wording such as “must”, “shall” and “will” is encouraged.

Licence conditions:

- must be appropriate for the promotion of the licensing objectives;
- must be precise and enforceable;
- must be unambiguous and clear in what they intend to achieve;
- should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
- must be tailored to the individual type, location and characteristics of the premises and events concerned;
- should not be standardised and may be unlawful when it cannot be demonstrated that they are appropriate for the promotion of the licensing objectives in an individual case;
- should not replicate offences set out in the 2003 Act or other legislation;

- should be proportionate, justifiable and be capable of being met;
- cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and
- should be written in a prescriptive format.

5.2 There is a right of appeal to the Magistrates Court within 21 days.

6. ISSUES AND RISKS

6.1 **Resource Implications** – None.

6.2 **Legal Implications** – Statutory requirements

6.3 **Equality Implications** – None.

6.4 **Environmental Impact** – see licensing objectives

6.5 **Crime and Disorder**- see licensing objectives

6.6 **Risks** – the Council could incur costs in officer and legal representative time if a person is aggrieved by the decision of the Committee and pursues an appeal in the Magistrates' Court.

7. RECOMMENDATIONS

7.1 The Sub-Committee is expected to make its determination based on an assessment of the evidence on both the risks and benefits for or against making the determination, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

7.2 The Sub-Committee must make its determination within the period of five working days beginning with the day or the last day on which the hearing was held.

7.3 Where a licensing authority determines an application, it must notify the determination and its reason of making it to –

- (a) The holder of the licence
- (b) The applicant
- (c) Any person who has made relevant representations, and
- (d) The chief officer of police for the police area in which the premises are situated

Notes for Guidance

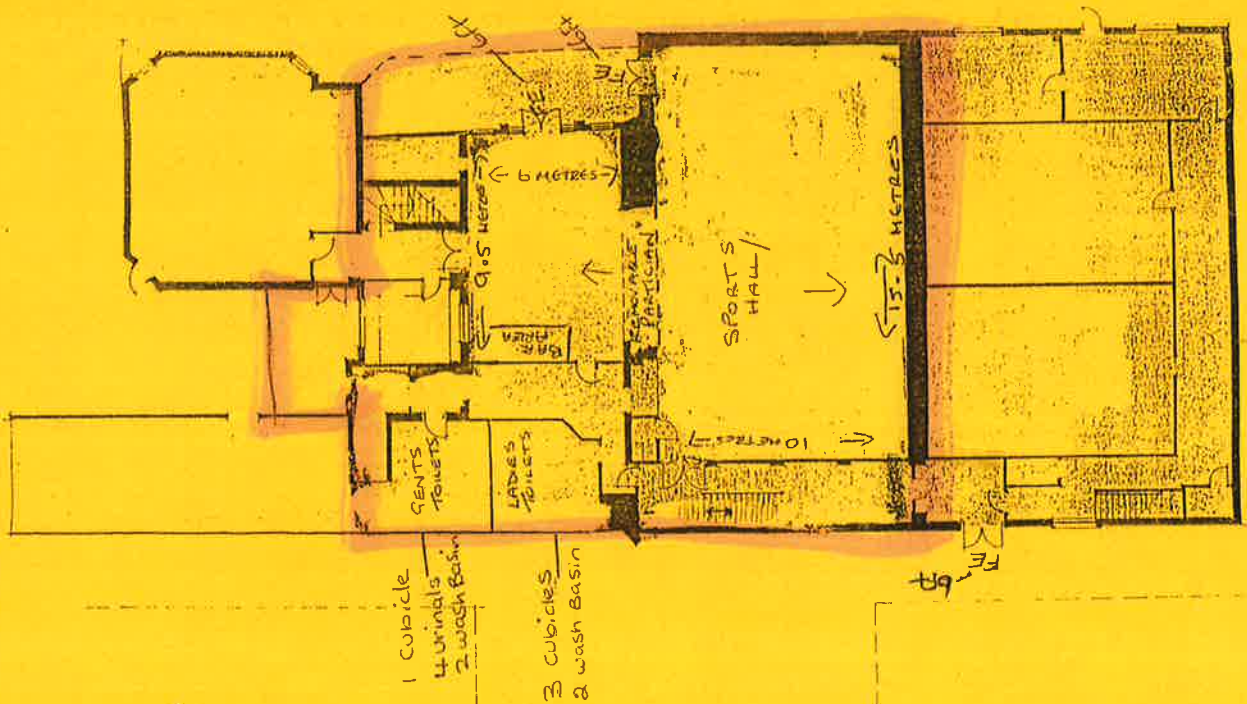

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local

Application to vary the Premises Licence – Harleston Leisure Centre

Norfolk Constabulary has received a copy of the application to vary the licence for Harleston Leisure Centre and Recreation Ground.

This application is requesting an extension of hours and activities for both inside and outside the premises.

I am aware that the venue management are looking to remove all current conditions attached to the licence. There are some linked to CCTV and no drugs Policy. I would like to see some of these remain.

There is no reason to suggest that the granting of this variation to extend the area and activities will cause a significant increase to crime and disorder. However in order to ensure the authorities are notified and the event runs properly, I request that the following conditions are added to the Premises Licence:

- **CCTV is installed and operating at the premises. CCTV cameras will cover the inside of the premises and footage will be available to Police on request.**
- **No patrons will be permitted to leave the premises with open vessels of alcohol.**
- **There will be a zero tolerance drug policy at the premises.**
- **Staff involved in direct alcohol sales will receive training in relation to the Licensing Act 2003. Records will be kept and available to Police or Licensing Authority on request.**
- **Norfolk Constabulary will be notified in writing at least 28 days prior of any event which is expected to attract over 500 attendees at any one time. An event management plan will be in place.**
- **At least 21 days prior to the intended date of any boxing entertainment a written health and safety risk assessment in respect of the boxing entertainment must be submitted by the premises licence holder to the Licensing Authority. The risk assessment for the boxing entertainment including any control measures to be implemented must be approved in writing by Environmental Services. If**

Environmental Services do not approve the boxing entertainment risk assessment the premises licence holder will ensure that the boxing entertainment does not take place. If the boxing entertainment risk assessment is approved by Environmental Services the premises licence holder will ensure that the boxing entertainment takes place in full compliance with the requirements and prohibitions specified in the boxing entertainment risk assessment.

With these Conditions added to the licence, there are no Police objections

Yours faithfully,

Michelle Bartram
Licensing Officer

Internal Memorandum

To:	Licensing
From:	Community Protection
My Ref:	19/00119/PLAMDP
Your Ref:	19/00119/PLAMDP
Date:	7 March 2019

Dear Licensing,

Apologies for the delay in responding to the above application for the Harleston Recreation Ground & Leisure Centre (Licensing Ref: 19/00119/PLAMDP).

I have spoken to Adrian Nicholas about whether there were any previous issues with noise disturbance and he has indicated that to his knowledge there hasn't been any significant issues. However, the proposed use does raise some concern for a number of reasons which I have summarised below:

- The submitted site plan showing the licensible area does not show where licensible activities such as plays, films, sporting events, live music etc. will be located. The application site is surrounded by residential properties which might give rise to complaint if the activities are not properly managed.
- There is no indication of how noise from licensible activities, especially those held outdoors will be managed to reduce the likelihood of complaints.
- There is no information concerning how the management of the applicatio site will handle complaints from the general public regarding licensible activities.

Although there doesn't appear to be any significant noise issues in the past relating to licensible activities at the application site, the proposed operating times, the nature of licensible activities and the lack of information on noise management controls and information on where such activities might take place does gives rise to some concern.

However, it is possible that many of the concerns raised above can be addressed by the applicant in providing more detailed information on where licensible activities will take place and how such activiites will be effectively managed to reduce the impact on those living in the vicinity of the application site. The following conditons are suggested to address the concerns stated above:

1. The Licensee shall submit for approval a Noise Management Plan (NMP) no later than **INSERT DATE** to South Norfolk Council as the relevant Licensing Authority. The NMP will include the following; the appointment of acoustic consultant, how Music Noise Levels will be managed, communicating to those living in the vicinity who might be affected, how complaints will be taken, investigated and resolved, recording noise complaints made to the organiser etc.

2. The Licensee shall appoint a competent acoustic consultant who is a member of the Institute of Acoustics (IOA), no later than **INSERT DATE**. The acoustic consultant shall carry out a survey to determine the representative background noise levels and determine the maximum level of amplified music / voice at the boundary of the nearest noise sensitive properties. The acoustic consultant shall provide advice on how noise levels will be set and managed. The information obtained from this survey shall be made available to South Norfolk Council as the relevant Licensing Authority no later than **INSERT DATE**.

Reference: **Variation of Licence/ Club Certificate for Redenhall with Harleston Town Council for the Recreation Grounds & Leisure Centre, Wilderness Lane. Harleston**

Dear Sir / Madam,

I am writing to you on behalf of the residents of Malthouse Court to register our objections & concerns with the variation of the license for the above application in relation to the Leisure Centre and Recreational Grounds Area.

Malthouse Court is an Anchor Hanover managed scheme for the over 55's independent living. Our current average age of resident is 80 years old.

The scheme is situated at close proximity directly behind the main Leisure Centre. Please see appendix A.

Please also see the photos taken from residents apartments 17-19 on Appendix A and 23 – 31.

As you can see the proximity of the Leisure Centre and especially the rear car park and road leading to this car park which is at its closest approx. 3.5 metres away from property 31.

A residents meeting was held on the 20th February 2019 to discuss concerns and objections on this application. 9 properties out of a currently occupied 25 properties attended or raised formal concern. The majority of the representative residents reside in properties to the rear of the estate facing the Leisure Centre.

Whilst the introduction of more community based activities was recognised as a

positive move forward for the community, the following objections and concerns were raised as to any further events or functions being held within the Leisure Centre and associated Recreational Areas that extend into the late evenings .

- **Noise** – Associated music / tonoi/ speaker systems at late hours. Noise from car movement at the end of an event and associated chat and departure late at night.
There have been comments regarding levels of noise currently when classes/events /meeting are held and doors from the venue are opened in warmer weather. Will the air conditioning within the property be sufficient to ensure that doors during events are not opened into evening/night hours ?
The proximity of late night events and permitted noise levels was discussed and concerns arose that this would be exceeded and cause disruption, disturbance and intrusion to residents within their premises.
- **Vibrations** – associated with bass noise being felt due to the proximity from the venue.
- **Rear Car Park** – Use of the area at late hours and the associated noise.
As you can see from Appendix A the road that leads to the rear car park of the Leisure Centre runs along the perimeter of the scheme. This is currently used by public. As above, under noise, the associated noise of car movement and associated chat is currently heard by residents at the end of events.
Residents were concerned that their peace and sleep would be disrupted if this car park was in use after a reasonable hour and requested that if the license was to be agreed that the Town Council could completely restrict the use of this car park for late night events.
- **Light pollution** – from lighting for external events and concern as to intrusion into the residents premises.
- **Lack of notification** – residents commented that the notices regarding this application had not been circulated sufficiently. No notices were placed within or on the perimeter of this scheme or areas potentially effected by this application.

We hope that the impact of the extension of this license at the Leisure & Recreational site area could cause on this vulnerable residential area, is taking into account when reaching a decision and also the Towns Council in planning any further events in the areas covered under this application.

Please do not hesitate to contact me with any questions which I can relay to the residents concerned.

Please could I also ask for an emailed response from the License Team to confirm receipt of this letter.

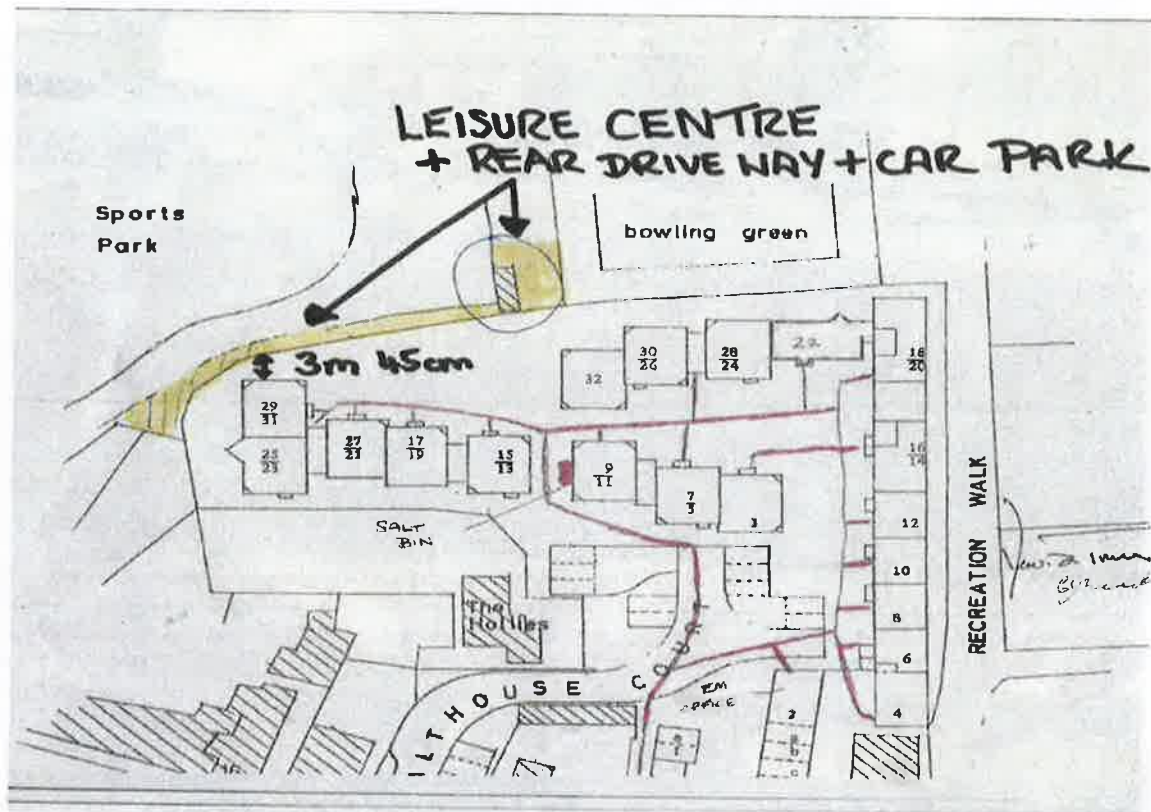

Yours sincerely,

Mrs Sharon Larter. Estate Manager

Dear Mrs Larter,

Thank you for your letter on behalf of 9 properties within Malthouse Court dated the 27th February 2019 regarding the full variation application for the Recreation Ground & Leisure Centre at Wilderness Lane, Harleston.

With regard to your final point “Lack of Notification” I feel it would be useful to outline the advertisement procedure to you as contained in regulations of the Licensing Act 2003 which is set by the Home Office. I can confirm that to the best of my knowledge Redenhall with Harleston Town Council complied with these regulations, which state: -

Publish a notice in a local newspaper or, if there is none, in a local newsletter, circular or similar document circulating in the area in which the premises are situated; and

Display a brief summary of the application on an A4 (or larger) size notice, on pale blue paper in a prominent position immediately on or outside the premises for at least 28 consecutive days (starting on the day after the day on which the application was given to the relevant licensing authority).

I can confirm Redenhall with Harleston Town Council published the application in the public notices section of the Diss Mercury on the 14th February 2019. The A4 site notices on blue paper were displayed every 50m around the perimeter of The Recreation Ground from the 8th February 2019. I obviously cannot guarantee that the site notices were in situ for 24hrs per day for the duration of the consultation therefore my opening paragraph “to the best of my knowledge”.

In addition there is a requirement for the Licensing Authority to publish the application on our website which commenced with the consultation period on the 8th February 2019.

I will of course be in touch following the close of consultation on the 8th March 2019 to advise if the application will be heard before the Licensing Committee and the procedure regarding this.

Should you have any queries in the meantime please do not hesitate to contact me.

Kind regards
