

Reedham Neighbourhood Development Plan

Examiner's Second Clarification Note

This Note seeks further clarification on the submitted Plan. It arises from additional correspondence sent to the District Council

Points for Clarification

An e-mail has been sent by the owner of Middle Field to Broadland District Council about the responses received to the earlier clarification note. That e-mail is available on the District Council's website.

It would be helpful to have the Parish Council's responses to the following questions:

- did the Parish Council approve the Steering Group's responses to the earlier clarification note?
- if not, does it agree with the Steering Group's response to the question on Policy 1 in that note?
- does the Parish Council have any other comments about the importance of Middle Field to the local community and how the Field should be addressed in the Plan?

The comments made on the points in this Note will be used to assist in the preparation of the examination report and in recommending any modifications that may be necessary to the Plan to ensure that it meets the basic conditions.

Protocol for responses

I would be grateful for responses to the questions raised by 28 February 2024. Please let me know if this timetable may be challenging to achieve. It is intended to maintain the momentum of the examination.

If certain responses are available before others, I would be happy to receive the information on a piecemeal basis. Irrespective of how the information is assembled, please could it come to me directly from the District Council.
