

Business Builder

“It wasn’t just the Build-Up grant, I received help with securing the premises, contacts to other business owners and access free marketing and social media courses.”

**Tracey Cunningham, Vintage Rose at
Ketteringham Hall**

We'll help, you grow

Bespoke and free support

We want to support your business growth and can help with free advice, grant funding and training. The Business Builder programme is for independent businesses that are either newly established or have been trading for a while.

Are you an entrepreneur with a business idea?

The Business Builder programme is designed to help you, wherever you are in your business journey.

Seeking grants and support to help your business grow?

There is a range of support packages available, including:

- grant funding options to help you take specific steps
- comprehensive training courses
- in-person advice

Designed around you

Business Builder offers a wrap-around package of support to help your business grow and prosper.

Ask us and we'll work out a plan with you
