IN WITNESS whereof the Council and the First Company Second Company and the Bank have hereunto caused their respective common seals to be affixed the day and year first before written.

SCHEDULE

THE FIFTH SCHEDULE referred to: THE RESTRICTIONS

1. Until such time as the proposed roadway leading from St. Walstans Road has been constructed no development of the property shall take place other than work on the making up of the unadopted parts of Cypress Close and the erection of the eight dwellings fronting Cypress Close
2. Unless and until the Council certifies in writing that the water supplies in the area are adequate the Developers shall not in the first twelve months following the issue of planning consent carry out any development other than the erection of two dwellings (and the necessary roads and sewers leading thereto) additional to those mentioned at 1. above (or in the event of those eight dwellings not being erected ten dwellings) (which ten dwellings shall be referred to collectively as "Phase One") and in the subsequent twelve months shall only erect a further ten dwellings ("Phase Two") and implement the landscaping scheme referred to in conditions 7 of the planning permission no. 75.1480 dated 11th November 1975 insofar as it relates to Phase Two of the development. Thereafter if no such certificate has been given by the Council development shall be restricted to such further number of dwellings as is decided by the Council after consultation with the Anglian Water Authority
3. Until such time as the proposed school immediately to the west of the property or other alternative educational facilities are provided the Developers shall not erect more than ninety dwellings on the property ("Phase Three")
4. Unless and until an alternative access direct from Fakenham Road is provided or the railway bridge on the Taverham Road has been demolished and the road at that point widened to the satisfaction of the Council the Developers shall not erect more than one hundred and fifty two dwellings on the property ("Phase Four")
5. Until such time as at least fifteen hundred square feet (or such other area as may be agreed in writing) of retail shopping floor space has been erected on the western side of the property the Developers shall not erect more than two hundred and two dwellings on the property ("Phase Five")
6. Should the Developers be able and willing to provide an alternative access to the site direct from the Fakenham Road the layout of the easternmost part of the property shall be adjusted to meet the reasonable requirements of the Council provided that such adjustments can be made without necessitating the demolition of dwellings built on the property
7. Within six months from the date hereof ^{or} ~~at~~ such other reasonable period as may be agreed between the parties hereto in writing the Developers shall make arrangements to the reasonable satisfaction of the Council for future maintenance of the public pedestrian areas open play areas wooded amenity areas and planted areas situate between dwellings and the estate roads all of which are shown coloured green on the plans numbered 2(a) and 2(b) annexed hereto and all garage and parking courts which are shown coloured purple on the said plans numbered 2(a) and 2(b) annexed hereto
8. The development of the property shall be phased as shown on the plan numbered 3A annexed hereto except that such phasing may be amended as agreed in writing with the Council subject to retaining the numerical content and sequence in the foregoing restrictions in order for the siting of any particular phase of dwellings to suit current conditions throughout the development
