16 MINUTES

The Minutes of the meeting held on 6 January 2020 were confirmed as a correct record.

17 UPDATE TO LOCAL DEVELOPMENT SCHEME

The Assistant Director Planning introduced the report which proposed amendments to the Council's Local Development Scheme (LDS) to reflect a revised Greater Norwich Local Plan (GNLP) timetable. This would allow for a further Regulation 18 Consultation, to ensure that the evidence base was robust and for further work to be undertaken in respect of viability studies and economic information. This would also allow for the opportunity to consider progress with the Western Link scheme.

The new Regulation 18 Consultation would take place over November/December 2020. This would have a knock on effect and delay the pre-submission publication of Plan (Regulation 19), as well as the examination and mean that the final adoption of the Plan would occur in November/December 2022; four months later than originally intended.

It was confirmed that all three Greater Norwich Districts would need to amend their Local Development Schemes in accordance with the Local Plan. South Norfolk would be taking its LDS to Cabinet in September.

RECOMMENDED TO CABINET

That Cabinet recommends to Council that it approves the proposed amendments to the current Local Development Scheme.

The meeting closed at 6.14 pm.
