P C Kirby
Chief Executive

Minutes of a meeting of the **Licensing & Regulatory Committee** held at Thorpe Lodge, 1 Yarmouth Road, Thorpe St Andrew, Norwich on **Wednesday 2 May 2018** at **9.30am** when there were present:

Mrs S C Gurney – Chairman

Mrs J Copplestone

Mrs B Rix

The applicants (as identified in the exempt appendix to the signed copy of these Minutes) attended the meeting for their respective applications.

Also in attendance were Mr D Lowens (the Committee's legal advisor), the Food, Safety and Licensing Team Manager and the Committee Officer (DM).

38 DECLARATIONS OF INTEREST

None received.

39 APOLOGIES FOR ABSENCE

None received.

40 NON-EXEMPT MINUTES

The non-exempt Minutes of the meetings held on 22 November and 12 December 2017 were confirmed and signed as a correct record.

41 EXCLUSION OF THE PRESS AND PUBLIC

RESOLVED:

to exclude the Press and public from the meeting for the remaining business because otherwise, information which was exempt information by virtue of Paragraphs 1, 3 and 7 of Part I of Schedule 12A of the Local Government Act 1972, as amended by the Local Government (Access to Information) (Variation) Order 2006, would be disclosed to them.

**42 LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 –
PRIVATE HIRE VEHICLE DRIVER LICENSING**

The Committee considered matters in respect of a current licenced Private Hire Vehicle Driver, as detailed in the exempt appendix to the signed copy of these Minutes. After due consideration, it was

RESOLVED

to revoke the Private Hire Vehicle Driver Licence with immediate effect.

**43 LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 –
PRIVATE HIRE VEHICLE DRIVER LICENSING**

The Committee considered an application for a Private Hire Vehicle Driver Licence, as detailed in the exempt appendix to the signed copy of these Minutes. After due consideration, it was

RESOLVED

to refuse the application for a Private Hire Vehicle Driver Licence.

44 EXEMPT MINUTES

The Exempt Minutes of the meeting held on 22 November 2017 were confirmed and signed as a correct record.

The meeting closed at 1:40pm

Licensing and Regulatory Committee

Minutes of a meeting of the **Licensing and Regulatory Committee** held at Thorpe Lodge, 1 Yarmouth Road, Thorpe St Andrew, Norwich on **Tuesday 15 May 2018** at **8:00 pm** when there were present:

Mrs J K Copplestone

Mrs L H Hemsall

Mr I N Moncur

Mr S Dunn

Mr R J Knowles

Mrs B H Rix

Mr R F Grady

Also in attendance was the Committee Officer (DM).

1 APOLOGIES FOR ABSENCE

Apologies for absence were received from Mr K G Leggett MBE and Mr V B Tapp.

2 APPOINTMENT OF CHAIRMAN

One nomination was received for the position of Chairman and it was

RESOLVED

to appoint Mrs Gurney as Chairman of the Committee for 2018/19.

Mrs Gurney in the Chair

3 APPOINTMENT OF VICE-CHAIRMAN

One nomination was received for the position of Vice-Chairman and it was

RESOLVED

to appoint Mr Dunn as Vice-Chairman of the Committee for 2018/19.

The meeting closed at 8:10pm

Quasi-judicial procedure rules - Applications for a Private Hire Vehicle/Operator/Driver's Licence

The Committee comprises 3 district councillors, at least two of which must be present at each hearing.

When dealing with applications, the rules of natural justice must be seen to be applied, in that the applicant must be afforded an opportunity to present their case. Thus, when determining an application, the Committee will be required to act in a judicial manner and to conduct the proceedings in accordance with the following rules.

1 Opening remarks by the Chairman of the Committee

- 1.1 The Chairman will introduce those present at the hearing and will ensure those present understand the procedure to be followed.
- 1.2 The Chairman will give a brief outline of the matter to be considered.

2 The Council's case

- 2.1 The Council's representative will present its case.
- 2.2 The Council's representative may then be questioned by the following in the order shown:
 - (1) the applicant or his representative;
 - (2) the Council's legal representative;
 - (3) the representatives of statutory consultees (eg police, general practitioner)
 - (4) the members of the Committee.

3 The applicant's case

- 3.1 The applicant or representative will present his case.
- 3.2 The applicant or representative may then be questioned by the following in the order shown:
 - (1) the Council's representative and / or legal representative;
 - (2) the representatives of any consultees (eg police, general practitioner),
 - (3) the members of the Committee.

4 Representatives / consultees

- 4.1 The representatives of any consultees present shall then each present their case.

4.2 The representatives of any statutory consultees present may then each be questioned by the following in the order shown:

- (1) the applicant or his representative;
- (2) the Council's representative and / or legal representative;
- (3) the representative of any other statutory consultee, and
- (4) the members of the Committee.

5 Closing statements

5.1 Closing statements will then be made in the following order:

- (1) The Council's representative and / or legal representative;
- (2) The representative of each of the statutory consultees, and
- (3) The applicant or his representative.

5.2 All persons present, with the exception of the members of the Committee, the advisor and the clerk, will then leave the meeting.

6 The Committee's decision

6.1 The Committee will discuss and then vote on the application.

6.2 In the event of an equality of votes, the Chairman has a second or casting vote.

6.3 During the decision making process, the Committee may seek the advice and guidance of its clerk and advisor.

6.4 All persons referred to in paragraph 5.2 above will be asked to re-join the meeting. The Chairman will announce the Committee's decision with a summary of the reasons why if the application is refused or special conditions are added.

6.5 The applicant will be provided with a full written copy of the Committee's decision within 5 working days of the hearing.

6.6 If the application is refused, the decision must state clearly the reasons why.

6.7 Where an application is granted, the Committee should, where applicable, advise the applicant if any special conditions are imposed.

6.8 Where an application is refused or the grant of a licence is subject to the imposition of any special term, condition or restriction, the applicant should be advised that he has a right of appeal to the Magistrates' Court within 21 days of receiving the written decision.

**LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976
PRIVATE HIRE VEHICLE LICENSING**

Mr Leon Davies and Mr James Phillips trading as Zero Taxis

1 SUMMARY

- 1.1 This report details an application to make an exception to Private Hire Vehicle and Hackney Carriage Policy and Conditions (PHVHCPC) in respect of the engine size of an eco-friendly vehicle and makes recommendations.

2 INTRODUCTION

- 2.1 The Private Hire Vehicle and Hackney Carriage Policy section 7 states:

The Council encourages the use of eco-friendly vehicles. Any application to licence a vehicle with an engine capacity of less than 1300cc will be considered on its own merits.

- 2.2 On 23 March 2018, Mr Leon Davies and Mr James Phillips contacted the Licensing Office in respect of licensing an electric vehicle, namely a Nissan Leaf. Mr Davies and Mr Phillips are not currently an established Private Hire Operator but are intending to trade as Zero Taxis.
- 2.3 The vehicle has been inspected by Licensing Officers who have determined that, other than the engine capacity, the vehicle complies with the standard licensing requirements.
- 2.4 Mr Davies and Mr Phillips have requested that Committee gives consideration to licensing electric vehicles in line with their business model of providing zero emission Private Hire Vehicles.

3 THE ISSUES

- 3.1 Electric vehicles do not have an engine but instead have a battery which powers a motor. The battery is charged at either a public charging point or using an at home charger. Charging the vehicle can take up to 7.5 hours at home or up to 1.5 hrs at a super charger point (depending on the power output of the charger). Public charger points are located around the country at various locations such as supermarkets, service stations, car dealerships etc. There are currently several charging points in and around Norwich.
- 3.2 The Nissan Leaf has a 40kwh battery with a claimed range of around 168 miles. Therefore any journeys need to be carefully planned to ensure the

vehicle has adequate charge or there are the appropriate facilities and time to charge the vehicle en route.

- 3.3 The specifications booklet for the Nissan Leaf is attached at Appendix 1.

4 PROPOSED ACTION

- 4.1 The Committee, in its role as Licensing Authority, is requested to review the facts and determine whether it considers it appropriate to allow an exception to PHVHCPC section 7 in order to licence electric vehicles.
- 4.2 If Committee is minded to agree the exception, consideration may also be appropriate in respect of the application of any other specific conditions relevant to this vehicle, for example
- a) prior to the issue of a Private Hire Vehicle licence the applicant should demonstrate they have;
 - i) specific facilities to ensure the vehicle can be charged; and
 - ii) given full consideration within their business operating model as to how the electric vehicle will be charged during a normal days' operation to ensure against the possibility of the vehicle failing in service.
- 4.3 Committee may also wish to consider whether this exception should apply to this specific single vehicle; or any Nissan Leaf electric vehicles.
- 4.4 A Nissan Leaf will be available for the Committee to inspect if required.

5 RESOURCE IMPLICATIONS

- 5.1 The Council could incur costs in officer and legal representative time if a person is aggrieved by the decision of the Committee and pursues an appeal to the Magistrates' Court.

6 LEGAL IMPLICATIONS

- 6.1 There are no legal implications other than the issues detailed at 5.1 and 7.1.

7 HUMAN RIGHTS

- 7.1 There are human rights implications associated with this matter. The interests of the applicant have to be balanced against the interests and protection of

the wider community. Any actions proposed in respect of the application, must be proportionate to the matter under consideration, the decision making process must be transparent and the applicant must be given full opportunity to make representations. The Committee is therefore required to balance the interests of the applicant against the interests of the community and decide where the balance should lie.

8 RECOMMENDATION

- 8.1 The Committee is **RECOMMENDED** to review and carefully consider the information placed before it and to determine the application.

Paul Hemnell
Food, Safety and Licensing Team Manager

Go Everywhere

No congestion charge and parking benefits means that no zone is off limits.

Go Further with the all-new 40kWh battery giving 168 miles* autonomy

With this extended range, the road is stretching out in front of you.

Go with style, convenience and efficiency

5 seats, 435 litres of boot space and a bold, new aerodynamic design, the Nissan LEAF gets you there with stylish efficiency.

*Up to 177 miles WLTP Combined Driving Cycle and up to 242 miles WLTP City Driving Cycle (Visia Grade).
235 miles NEDC (New European Driving Cycle)

FIND MORE THRILLS

with instant power when pulling away and intelligent driving technologies for a smooth and exhilarating ride.

FEEL MORE CONFIDENT

with Nissan ProPILOT to step in whenever you need it, you will feel more supported whilst driving.

FEEL IN CONTROL

with the Nissan e-Pedal, you only need one pedal to accelerate, decelerate and brake.

BE MORE CONNECTED

with NissanConnect EV and the arrival of Apple Carplay and Android Auto.

SEE AND SENSE MORE

with an Around View Monitor as well as smart technologies like Rear Cross Traffic Alert, Blind Spot Warning and Traffic Sign Recognition.

Prepare your senses
for an experience like no other and enjoy a new way of driving that pushes all the right buttons.

With Nissan Intelligent Mobility, your LEAF has never been more intuitive. See more around you, sense more, and do everything with more confidence. This is what driving was always supposed to be.

Exhilarating driving at the push of e-Pedal

NISSAN  INTELLIGENT MOBILITY

It's a completely new way to drive, and a whole lot of fun. Imagine having the option to drive with one pedal. With the flip of a switch, you can easily switch from two pedals to one. Just press down for instant acceleration and ease off to slow down. You can even hold the vehicle on a hill without ever touching the brake.

e-Pedal. Speed up, slow down and brake with just the accelerator pedal, making for a simple and easy drive.

ProPILOT Feel free to enjoy the ride

NISSAN INTELLIGENT MOBILITY

CAN EVEN BRING
YOUR CAR TO A
COMPLETE STOP

MAINTAINS YOUR
SPEED AND
DISTANCE

KEEPS AN EYE ON
THE FLOW OF TRAFFIC

NISSAN ProPILOT. Keeps your vehicle at a pre-set distance from the car in front whilst keeping you centred in your lane. ProPILOT can even bring your LEAF to a complete stop and hold it there in a traffic jam. It turns your typical morning commute into an exciting new way to start the day.

[Page 1](#) | [Page 2](#) | [Page 3](#) | [Page 4](#) | [Page 5](#) | [Page 6](#) | [Page 7](#) | [Page 8](#) | [Page 9](#) | [Page 10](#) | [Page 11](#) | [Page 12](#) | [Page 13](#) | [Page 14](#)

So smart it can step in when you need it most

You may not even know why traffic suddenly slows down. But **Intelligent Emergency Braking** with Pedestrian Recognition is keeping an eye out and is ready to apply the brakes. Of course, that's not the only way LEAF can step in to help keep you out of trouble.

Imagine driving with a suite of Nissan Intelligent Mobility features backing you up, including:

ProPILOT:

Keeps an eye on the flow of traffic to maintain your pre-set speed, your distance from the car in front, all whilst keeping you centred in your lane. It will even bring you to a complete stop in traffic jams.

INTELLIGENT CRUISE CONTROL:

Watches the flow of traffic to take the tedium out of highway driving.

INTELLIGENT LANE INTERVENTION:

Helps keep you where you want to be. It applies the brakes to help gently guide you back if it detects that you're unintentionally straying out of your lane for too long.

BLIND SPOT WARNING:

Change lanes with confidence. This feature keeps an eye on any blind spot area and lets you know if it finds a vehicle hiding there.

Parallel Parking. Find a winning spot? Just pull ahead of it, hold a button and watch your LEAF make easy work out of even tough parallel parking situations.

Bay Parking. Pull up to an open space, hold a button, and watch in amazement as your LEAF parks perfectly between the lines.

NISSAN INTELLIGENT MOBILITY

At the push of a button, watch your LEAF park perfectly

ProPILOT Park No hands, no feet, just an easier way to park. That's what you'll experience with a Nissan Intelligent Mobility feature so advanced, it turns parking into a walk in the park. Just pull up to a parallel or bay spot, digitally select your spot, hold the button, and take the challenge out of parking.

Get a bird's-eye view of any space you want

NISSAN INTELLIGENT MOBILITY

INTELLIGENT AROUND VIEW MONITOR helps you see more around you and makes complicated manoeuvres easy. With a virtual 360° bird's-eye view of your LEAF, plus selectable split-screen close-ups of the front, rear and kerbside views, you'll make sliding into the tightest spots look easy without ever scuffing a wheel again.

A helping hand in keeping an eye on your surroundings

FEEL MORE AROUND YOU even if you can't see that car sneaking up on you or that child on the corner that's about to cross the road, you can count on Nissan Intelligent Mobility features to take notice and give you a heads-up. Whether you're backing out of a parking spot or changing lanes on the main road, Nissan Intelligent Mobility features make you more aware of your surroundings and give you a whole new level of confidence.

INTELLIGENT AROUND VIEW MONITOR can warn you when it detects moving objects near your vehicle. This system increases your view of your surroundings.

REAR CROSS TRAFFIC ALERT This feature helps you back out of a space more safely. It watches around the rear of your LEAF, and can warn you about cars it detects creeping up on you from either side.

Improved Aerodynamics

to help you travel with greater efficiency

AERODYNAMIC
SPOILER

WIND-DIFFUSING
SIDE MIRRORS

LOWER
DIFFUSER

CONTINUOUS FLAT
UNDERBODY

Bold looks are only the beginning. With an advanced aerodynamic design that allows LEAF to slice through the air, you get an impressively efficient ride, not to mention an unbelievably quiet one.

Plug into savings embrace the freedom

NISSAN INTELLIGENT MOBILITY

FIND OUT WHY LESS IS MORE Driving electric has more than a few unexpected benefits. Without a petrol or diesel engine, of course there are no more fill-ups, but you also do away with a lot more. There are fewer moving parts overall, which translates into less maintenance. Now you just have to decide what to do with all the extra free time.

GOODBYE PETROL ENGINE

With a 100% electric motor, say goodbye to all the check-ups, maintenance, petrol costs and say hello to more time on the road.

GOODBYE OIL CHANGES

No more petrol means no more oil or oil changes. It also means no more transmission, spark plugs, radiator, belts, and more. Ownership and maintenance costs go down. Free time goes up.

GOODBYE PETROL STATIONS

Forget about having to stop at the petrol station on the way to work. Now you can wake up fully charged and ready to take on the day.

HELLO INNOVATIVE BATTERY

LEAF's battery pack has been developed in-house, rigorously tested and has an extraordinary record of reliability, meaning you can feel confident you are driving some of the best battery technology around.

[Exterior design](#) | [Interior design](#) | [Technology & Performance](#) | [Style & Accessories](#) | [Technical Specifications](#)

[Print](#) | [Close](#)

[Page 1](#) | [Page 2](#) | [Page 3](#) | [Page 4](#) | [Page 5](#) | [Page 6](#) | [Page 7](#) | [Page 8](#) | [Page 9](#) | [Page 10](#) | [Page 11](#) | [Page 12](#) | [Page 13](#) | [Page 14](#)

It has never been quicker or easier to get moving. From plugging in your LEAF into your domestic socket overnight to using the growing rapid charge network. You can use the NissanConnect EV app to identify charging points along the way.

6.6 KW HOME AND PUBLIC CHARGING

CHARGING TIME

8 HOURS (6.6KW)*

*Time dependent on charging conditions, including Quick Charger type and condition, battery temperature and size as well as ambient temperature at point of use.

Charging has never been so easy

50 KW PUBLIC QUICK CHARGING

CHARGING TIME UP TO 80%
IN 40 TO 60 MINUTES*

Fully Customisable detailed display

LEAF is at the forefront of technology with an advanced digital information display. New LEAF lets you customise every detail of your drive, from range to power use to navigation, on a stunning, full-colour screen. This is the information age on full display.

LEAF even lets you browse your audio system easily on the display.

Turn-by-turn navigation has never been easier to follow, with every turn displayed right in front of you.

SEAMLESS MOBILE INTEGRATION

Apple CarPlay* and Android Auto** are the safer, smarter ways to enjoy the things you love on your phone. Access music, maps, make calls, send and receive messages - all hands-free. Just connect your phone and go.

YOUR MUSIC. YOUR WAY Use Bluetooth streaming audio or the USB input to play music directly from your smartphone.

*Apple CarPlay is a trademark of Apple Inc. Apple CarPlay device requirements: iPad2, iPhone 5 or later (lightning connector) and iOS 8.3 or later and needs to be connected via USB.

**Android Auto is designed to work with Android phones running 5.0 (Lollipop) or higher and needs to be connected via USB.

A whole new level of Connection

With its ergonomic layout, distinctive new centre console and a floating central screen that puts your phone on centre stage, this interior was clearly designed with a more connected experience in mind. Nissan LEAF puts all the tools you need to control your car right in front of you.

Experience

comfort at the sound of silence

What would it be like to drive a near silent car? Try stepping inside the luxuriously quiet cabin of the new LEAF and you'll find a new level of silence - until you turn up the Bose Premium Audio System* that is. Add comfort features such as heated seats and every drive has a chance to be amazing.

*Bose is not available on all grades

BOSE

BOSE PREMIUM AUDIO SYSTEM*

Even the audio system is energy-conscious. With seven small, lightweight, and strategically placed speakers, the Bose engineers have created an audio system that saves power, without sacrificing sound quality.

*Bose is not available on all grades

Load up

for wherever your day takes you

LEAF is ready for your next outing with a boot capacity of up to 435 litres, an impressive amount of cargo space; a low rear cargo floor and 60/40 split rear seats that fold down easily. It all adds up to a vehicle that can handle just about anything you ask of it.

NISSAN INTELLIGENT MOBILITY

Electrify the world

At Nissan, we believe in a sustainable tomorrow, and we're convinced that it will only happen if we act now. That's why we're leading the way in electric mobility solutions to shape smart cities and help to create a better future today.

NISSAN ELECTRIC VEHICLES. Join the electric revolution. Start driving the car of the future, today. Nissan's pioneering range of 100% electric cars and vans offer top class performance and cutting-edge technology, allowing you to enjoy your zero emissions drive.

THE 100% ELECTRIC NISSAN LEAF WITH A NEW 40KW BATTERY. The new Nissan LEAF can travel 177 miles* on a single charge and is packed with Intelligent Mobility features including ProPILOT, ProPILOT Park** and e-Pedal technology.

*Up to 177 miles WLTP Combined Driving Cycle and up to 258 miles WLTP City Driving Cycle (Visia Grade). 235 miles NEDC (New European Driving Cycle)

**ProPILOT and ProPILOT Park are not available on all grades.

Are you ready for the simply amazing?
New LEAF will lead the way

AT NISSAN,
**WE FOCUS
ON QUALITY.**

MASTERED THROUGH EXPERIENCE

At Nissan, we do everything with the customer in mind. Every action and decision we make, is made with the utmost care, precision and quality because ultimately, it's for you. From conception to construction, from testing to transparency, from customer service to commitment. Quality is in every detail.

360° PROCESS

We build in quality from the outset, meticulously conceiving each car to make them as comfortable and durable as possible; through innovative design, intelligent technology and thoughtful details inspired by you.

SAFETY

We work with our intelligent driving systems to constantly look out for you and help your driving experience to be as safe as possible for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

EXTREME RELIABILITY

We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and use real volcanic dust from Japan to test window resistance.

ULTIMATE PROOF | reevoo

Our commitment to quality is best demonstrated by you. Search for testimonials, reviews and ratings online or find out what people are saying about Nissan on Reevo. It's the best place to compare vehicles and get real answers from real owners you can trust.

OUR PROMISE. YOUR EXPERIENCE.

YOU+NISSAN

When you purchase a LEAF from us, we'll look after you - for as long as you own it. **That is our Promise.**

BATTERY QUALITY GUARANTEE

YOU want the reassurance of a functional battery.

NISSAN PROMISE to replace any part of the battery causing capacity loss of below 9 bars (out of 12) within your LEAF's warranty period.

CONTINUOUS EV ROADSIDE ASSISTANCE

YOU want the peace of mind you get from our quality service to go even further.

NISSAN PROMISE to provide you with EV Roadside Assistance for free every time you service your car with us.

USE OF PETROL OR DIESEL CAR

YOU want to make extra-long journeys in your car.

NISSAN PROMISE to lend you a petrol or diesel car, free of charge, for up to 14 days during the first three years (at participating dealers only).

HERE FOR YOU

YOU want your problems resolved quickly.

NISSAN PROMISE to propose a resolution to any problem within two working days.

Just call 0330 123 1231.

Please visit nissan.co.uk/evpromise. Terms and conditions apply.

YOU+NISSAN
OUR PROMISE. YOUR EXPERIENCE.

SERVICE CONTRACTS

A Nissan Service Contract is the best way to give your Nissan LEAF the maintenance it deserves! We take good care of your Nissan whilst keeping your aftercare at a fixed price over years. While bringing your car to our dealership, we will change your parts and fluids in accordance with Nissan official service schedule and perform check ups for peace of mind journeys. Total budget and plan control, Nissan will inform you of due visits and propose the most suitable service and timing for your services.

EXTENDED WARRANTY

Nissan Extended Warranty gives you the opportunity to extend the 3 years/60,000 miles warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians. For your peace of mind, 24/7 European roadside assistance is included (if applicable).

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. At Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN LEAF OFFERS YOU:

5-YEAR/60,000 MILE WARRANTY ON ALL EV DEDICATED COMPONENTS AND

3-YEAR/60,000 MILE FOR STANDARD COMPONENTS

12-YEAR ANTI-CORROSION WARRANTY
18,000 MILE SERVICE INTERVAL

NISSAN LEAF LITHIUM-ION BATTERY WARRANTY ALSO PROTECTS AGAINST CAPACITY LOSS BELOW 9 BARS OF CAPACITY (OUT OF 12) AS SHOWN ON THE LEAF'S CAPACITY GAUGE FOR A PERIOD OF 8 YEAR/100,000 MILE.

NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. Nissan has pioneered EV and has led electric vehicle sales in Europe over the last 7 years. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the near future. And it's a future already taking shape in the NEW NISSAN LEAF.

Ready to get the all-new Nissan LEAF? Visit us online to order.
