LICENSING ACT 2003

NEW PREMISES LICENCE APPLICATION

CARNIVAL CITY, 10 MARKET PLACE, HARLESTON, IP20 9AD

Report Author(s): Rosie Setford
Licensing Enforcement Officer
01508 533602
licensingteam@s-norfolk.gov.uk

Portfolio: Regulation & Public Safety

Ward(s) Affected: Harleston

Recommendations:

The Sub-Committee is expected to make its determination based on an assessment of the evidence on both the risks and benefits for or against making the determination, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

The Sub-Committee must make its determination within the period of five working days beginning with the day or the last day on which the hearing was held.

Where a licensing authority determines an application, it must notify the determination and its reason of making it to –

- (a) The holder of licence
- (b) The applicant
- (c) Any person who has made relevant representations, and
- (d) The chief officer of police for the police area in which the premises are situated

1. Summary

- 1.1 The purpose of this report is to determine a new application that has been made by Carnival City Ltd for a new premises licence at Carnival City, 10 Market Place, Harleston, IP20 9AD. A relevant representation has been made regarding this application.
- 1.2 Given the above, the application must be determined by a hearing of the Licensing and Gambling Acts Sub-Committee.
- 1.3 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:
- The steps that are appropriate to promote the licensing objectives;
 - The representations presented by all parties;
 - The revised guidance issued under section 182 of the Licensing Act 2003;
 - South Norfolk Council's Statement of Licensing Policy published in January 2016
- 1.4 The licensing objectives are;
- The prevention of crime and disorder;
 - Public safety;
 - The prevention of public nuisance;
 - The protection of children from harm

2. Background

- 2.1 South Norfolk Council is the authority responsible for issuing licences within the district under the Licensing Act 2003 (the Act), which came into effect on the 24th November 2005.
- 2.2 An application was submitted on the 16th December 2020 by Carnival City Ltd, 10 Market Place, Harleston, IP20 9AD. The application form is attached as Appendix 1 and the proposed plan of the premises is attached as Appendix 2.
- 2.3 Carnival City Ltd made a subsequent amendment to the application with regard to the proposed hours prior to the commencement of the consultation which can be found as Appendix 3.
- 2.4 The applicant requests the following licensable activity:

Supply of alcohol – Consumption on the premises

Monday – Saturday 09:00 – 19:00
Sunday 10:00 – 16:00

Opening Hours

Monday – Saturday 09:00 – 19:00

Sunday 10:00 – 16:00

- 2.5 As part of the application process, the applicant is responsible for advertising the application by way of a notice in a specified form at the premises for not less than 28 consecutive days and in a local publication on at least one occasion within 10 working days after the application has been submitted.
- 2.6 In accordance with the Licensing Act (Hearings) Regulations a notice of the application was also published on the Council's website for the duration of the consultation period.
- 2.7 A consultation was sent to the responsible authorities as provided in the Act and out of courtesy to the local Member and town council. To provide an overview the following responses were received: -
- Norfolk Constabulary – Would like to add two conditions to the licence in relation to CCTV and staff training. Since writing this report Norfolk Constabulary have since withdrawn their objection. The objection has been withdrawn after the applicant agreed to the two conditions requested by Norfolk Constabulary.
- SNC Community Protection – No objection or comments to make
- SNC Planning – No objection dependent on proposed use
- 2.8 Full details of the above responses can be found at Appendix 4.
- 2.9 The licensing authority recognises the need to avoid, so far as possible, duplication with other regulatory regimes. Whilst having regard to the planning regime this is a separate entity and therefore Licensing Committees are not bound by planning representations. Please see Appendix 5 for the relevant sections of our licensing policy and the Revised Guidance issued under section 182 of the Licensing Act 2003.
- 2.10 A valid representation has been received from a local business objecting to the application under the prevention of crime and disorder and prevention of public nuisance objectives. A copy of this representation can be found at Appendix 6.
- 2.11 It states in the Revised Guidance issued under section 182 of the Licensing Act 2003 (the Guidance): -

Section 10.5

It is not acceptable for licensing authorities to simply replicate the wording from an applicants operating schedule. A condition should be interpreted in accordance with the applicant's intention.

With regard to the above, correspondence was sent to the applicant on the 21st December 2020 with suggested amendments to the conditions contained on the

operating schedule of the application. A copy of the Guidance extract and the suggested amended conditions can be found as Appendix 7.

To date a response to this email has not been received.

3. Proposed Action

- 3.1 The application for a new premises licence must be determined by a hearing of the Licensing Sub Committee, as under the Act, determination may not be delegated to officer level. This determination should only be made in relation to received representations relevant to the content of this application, the four licensing objectives, the Revised Guidance issues under Section 182 of the Licensing Act 2003 and South Norfolk Council's Statement of Licensing Policy published in January 2021.

4. Other options

- 4.1 The authority must, having regard to the application and any relevant representations, take such steps mentioned below (if any) as it considers appropriate for the promotion of the licensing objectives.

The steps are –

- (a) To grant the licence subject to –
- (i) the conditions mentioned in subsection(2)(a) modified to such extent as the authority considers (appropriate) for the promotion of the licensing objectives, and
 - (ii) any conditions which must be met under section 19, 20 or 21 be included in the licence;
- (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to refuse to specify a person in the licence as the premise's supervisor;
- (d) to reject the licence.
- 4.2 Conditions on a premises licence are important in setting the parameters within which premises can lawfully operate. The use of wording such as "must", "shall" and "will" is encouraged.

Licence conditions;

- must be appropriate for the promotion of the licensing objectives;
- must be precise and enforceable;
- must be unambiguous and clear in what they intend to achieve;
- should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
- must be tailored to the individual type, location and characteristics of the premises and events concerned;

- should not be standardised and may be unlawful when it cannot be demonstrated that they are not appropriate for the promotion of the licensing objectives in an individual case;
- should not replicate offences set out in the 2003 Act or other legislation;
- should be proportionate, justifiable and capable of being met;
- cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and
- should be written in a prescriptive format.

4.3 There is a right of appeal to the Magistrates Court within 21 days.

5. Issues and risks

5.1 **Resource Implications** – Statutory requirement

5.2 **Legal Implications** – Statutory requirement

6.2 The Sub-Committee must make its determination within the period of five working days beginning with the day or the last day on which the hearing was held.

Good Afternoon,

Unfortunately Rosie Setford is presently off sick and in her absence I have picked up the application for a new premises licence for 10 Market Place, Harleston.

I note you have requested the provision for the sale of alcohol for consumption on the premises, however I note in the description of the premises that you make reference to takeaway. Please can clarify that this is just with regard to food as to

authorise takeaway alcohol you would need to request the consumption on and off the premises.

Many thanks,

Dear Adam,

I have no issue with Under 18's being permitted given the hours proposed on your application. Please can you confirm in writing that you wish me to remove the condition – Under 18s to be accompanied with family.

With regard to the premises boundary, this is clearly identifiable by the plan submitted with the application and therefore please confirm in writing that you wish to remove the condition – Customers to be kept on the premises

Amanda,

Amendment – Having refined the model of the restaurant with a finer grain, I think under 18s should be allowed to dine in and takeaway in the restaurant (without alcohol), is this acceptable ? Is there anything I need to be aware of in this regards ?

Query – The piece of land from the shop front to the curb is council i believe as it does not come under the premises plan, I dont think I can prevent customers from smoking on this land. I would like to at some point speak to the relevant authority to discuss whether it would be acceptable to have tables and chairs in front in the summer but for now business will only be conducted on the premises – sorry this wasnt clear.

Let me know if you have more queries, thanks for your time.

Thanks

Dear Mr Lees,

I am writing with regard to your current application for a new premises licence at 15B Market Hill, Diss which is presently under consultation.

As stated in the Revised Guidance issued under section 182 of the Licensing Act 2003:-

10.5

It is not acceptable for licensing authorities to simply replicate the wording from an applicants operating schedule. A condition should be interpreted in accordance with the applicants intention.

In light of the conditions proposed by yourself and my colleagues Adrian Nicholas and Michelle Bartram and to avoid duplication I suggest and query the following:-

Amendment to condition

Install necessary safety apparatus and mark emergency exit routes = A fire risk assessment will be undertaken and adhered to.

Under 18s to be accompanied with family = Any person under the age of 18 years must be accompanied by an adult – do you want to make specific reference to it being a family member, that's very tricky to enforce?

Query of condition

What is meant by customers kept on the premises? Are they prevented from being outside? How is this managed? Smoking area?

I look forward to hearing from you prior to the close of consultation on the 12th November.

Kind regards

Amanda Cox

Application for a new premises licence - 10 Market Place, Harleston

Norfolk Police have been in consultation in relation to the application for a premises licence for 10 Market Place, Harleston

This application is requesting the sale of alcohol for consumption on the premises 0900-1900 hrs Monday-Saturday and 1000-1600 hrs Sundays.

The opening hours reflect this, with the exception of Sundays which mentions 0400 hrs but I believe this to be an error. The operator will need to consider a drinking up period when serving alcohol prior to closing so patrons have time to consume alcohol before closing.

The operating schedule within the application offers measures to promote the licensing objectives such as CCTV, Incident book, no customers permitted to take open containers off the premises and staff patrols.

We would ideally prefer that the CCTV is able to record for a minimum of 28 days and available to Police or Licensing Officer on request and that there is a condition relating to staff training records.

- **CCTV cameras to cover the main public areas including the courtyard to record for a minimum of 28 days and be available to Police or Licensing Officer on request.**
- **Staff will be trained in relation to the sale of alcohol and a record of this training to be kept and available to Police or Licensing Authority on request.**

With these conditions added to the premises licence, there are no objections to this application

Yours faithfully,

Michelle Bartram - Licensing Officer

Application for a new premises licence - 10 Market Place, Harleston

Norfolk Police have been in consultation in relation to the application for a premises licence for 10 Market Place, Harleston

This application is requesting the sale of alcohol for consumption on the premises 0900-1900 hrs Monday-Saturday and 1000-1600 hrs Sundays.

The opening hours reflect this, with the exception of Sundays which mentions 0400 hrs this has now been confirmed as an error and should be 1600 hrs. The operator will need to consider a drinking up period when serving alcohol prior to closing so patrons have time to consume alcohol before closing.

The operating schedule within the application offers measures to promote the licensing objectives such as CCTV, Incident book, no customers permitted to take open containers off the premises and staff patrols.

We would ideally prefer that the CCTV is able to record for a minimum of 28 days however I understand that the CCTV has already been installed and that the courtyard will be included. Due to the premises being open during daytime hours rather than late, I am happy to agree that this CCTV records for 14 days providing that this footage is available to Police or Licensing Officer on request. I would also like a condition confirming staff training records.

- **CCTV cameras to cover the main public areas including the courtyard to record for 14 days and be available to Police or Licensing Officer on request.**
- **Staff will be trained in relation to the sale of alcohol and a record of this training to be kept and available to Police or Licensing Authority on request.**

With these amendments agreed, I no longer have an outstanding representation to this application.

Yours faithfully,
Michelle Bartram - Licensing Officer

Hi Michelle,

Thank you for your email below and the attached letter.

By way of a response, please received the answers as follows;-

- Sunday should say 16.00 hours (4pm in the afternoon). Apologies for the confusion
- CCTV for 14 days would be better for us
- We are planning on covering our courtyard

Would it be possible to incorporate the answers above in the Letter of representation?

Many thanks,
Michael

Hello Michael

Apologies for contacting you,

I notice on the application that it mentions a 0400 hrs closing on a Sunday, I am assuming this is wrong. Can you confirm this?

I thank you for offering a number of proposals to promote the licensing objectives.

We usually request the CCTV to record for 28 days in line with home office guidance, however if your current capacity is only 14, I will reconsider my request.

I don't know if you are planning on covering the courtyard area also but this would be beneficial.

If you can look at my letter attached and let me know your thoughts.

Thanks

Michelle Bartram

3 Duplication

- 3.1 There are many stakeholders in the leisure industry, covering a wide range of disciplines. Many are involved, directly or indirectly, in the promotion of the licensing objectives, particularly those relating to the prevention of crime and disorder and public nuisance.
- 3.2 The licensing authority will arrange for protocols with Norfolk Constabulary to enable reporting to the authority responsible for transport matters on the need for the swift and safe dispersal of people from the town centres within the district to avoid concentrations of people, which can produce disorder and disturbance.
- 3.3 The licensing authority recognises the need to avoid, so far as possible, duplication with other regulatory regimes. Whilst having regard to the planning regime the licensing authority recognises that there should be a clear separation of the planning and licensing regimes. The licensing authority will endeavour to minimise the burden of legislation on small businesses.
- 3.4 However, some regulations do not cover the unique circumstances of some entertainment. Where relevant representations are received the licensing authority will consider attaching conditions to premises licences and club premises certificates where these are necessary for the promotion of the licensing objectives and are not already provided for in any other legislation.
- 3.5 This policy recognises that:
The Equality Act 2010 places a legal obligation on public authorities to have due regard to the need to eliminate unlawful discrimination; and to promote equality of opportunity and good relations between those who share a protected characteristic and those who do not.

Classification or the licensing authority itself (see paragraphs 10.59 to 10.60).

Integrating strategies

- 14.63 It is recommended that statements of licensing policy should provide clear indications of how the licensing authority will secure the proper integration of its licensing policy with local crime prevention, planning, transport, tourism, equality schemes, cultural strategies and any other plans introduced for the management of town centres and the night-time economy. Many of these strategies are not directly related to the promotion of the licensing objectives, but, indirectly, impact upon them. Co-ordination and integration of such policies, strategies and initiatives are therefore important.

Planning and building control

- 14.64 The statement of licensing policy should indicate that planning permission, building control approval and licensing regimes will be properly separated to avoid duplication and inefficiency. The planning and licensing regimes involve consideration of different (albeit related) matters. Licensing committees are not bound by decisions made by a planning committee, and vice versa. However, as set out in chapter 9, licensing committees and officers should consider discussions with their planning counterparts prior to determination with the aim of agreeing mutually acceptable operating hours and scheme designs.
- 14.65 There are circumstances when, as a condition of planning permission, a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning permission would be liable to prosecution under planning law. Proper integration should be assured by licensing committees, where appropriate, providing regular reports to the planning committee.

Promotion of equality

- 14.66 A statement of licensing policy should recognise that the Equality Act 2010 places a legal obligation on public authorities to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation; to advance equality of opportunity; and to foster good relations, between persons with different protected characteristics. The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
- 14.67 Public authorities are required to publish information at least annually to demonstrate their compliance with the Equality Duty. The statement of licensing policy should refer to this legislation, and explain how the Equality Duty has been complied with. Further guidance is available from Government Equalities Office and the Equality and Human Rights Commission.

Administration, exercise and delegation of functions

- 14.68 The 2003 Act provides that the functions of the licensing authority (including its determinations) are to be taken or carried out by its licensing committee (except those relating to the making of a statement of licensing policy or where another of its committees has the matter referred to it). The licensing committee may delegate these functions to sub-committees consisting of three members of the committee, or in

Good Afternoon,

Re: Carnival City, 10 Church Place, Harleston

We would like to object to the licensing application for Carnival City for the following reasons.

The prevention of crime and disorder:

We run a very tight ship but quite often we have encountered very drunk and abusive men fighting/screaming on the town square that have not been our customers. We find drinking establishments that are managed by inexperienced operators are very rarely able to control these issues and we do not want local people believing incorrectly that we have failed them or a situation getting out of hand.

Public Nuisance:

We already have an issue where people shopping in the town use our small car park leaving our customers having to park elsewhere. As the card shop does not have a car park, parking for both them and us will be a major issue.

Kind Regards

JD Young Hotel

10. Conditions attached to premises licences and club premises certificates

General

- 10.1 This chapter provides further guidance in relation to conditions attached to premises licences and club premises certificates. General principles on licence conditions are set out in Chapter 1 (see paragraph 1.16).
- 10.2 Conditions include any limitations or restrictions attached to a licence or certificate and essentially are the steps or actions that the holder of the premises licence or the club premises certificate will be required to take or refrain from taking in relation to the carrying on of licensable activities at the premises in question. Failure to comply with any condition attached to a licence or certificate is a criminal offence, which on conviction is punishable by an unlimited fine or up to six months' imprisonment. The courts have made clear that it is particularly important that conditions which are imprecise or difficult for a licence holder to observe should be avoided.
- 10.3 There are three types of condition that may be attached to a licence or certificate: proposed, imposed and mandatory. Each of these categories is described in more detail below.

Proposed conditions

- 10.4 The conditions that are appropriate for the promotion of the licensing objectives should emerge initially from the risk assessment carried out by a prospective licence or certificate holder, which they should carry out before making their application for a premises licence or club premises certificate. This would be translated into the steps recorded in the operating schedule or club operating schedule, which must also set out the proposed hours during which licensable activities will be conducted and any other hours during which the premises will be open to the public.
- 10.5 It is not acceptable for licensing authorities to simply replicate the wording from an applicant's operating schedule. A condition should be interpreted in accordance with the applicant's intention.

Consistency with steps described in operating schedule

- 10.6 The 2003 Act provides that where an operating schedule or club operating schedule has been submitted with an application and there have been no relevant representations made by responsible authorities or any other person, the licence or certificate must be granted subject only to such conditions as are consistent with the schedule accompanying the application and any mandatory conditions required under the 2003 Act.
- 10.7 Consistency means that the effect of the condition should be substantially the same as that intended by the terms of the operating schedule. If conditions are broken, this may lead to a criminal prosecution or an application for a review and it is extremely important therefore that they, should be expressed on the licence or certificate in unequivocal and unambiguous terms. The duty imposed by conditions on the licence holder or club must be clear to the licence holder, club, enforcement officers and the courts.
