Long Stratton Neighbourhood Plan - Decision Statement

1. Summary

Following an independent examination, South Norfolk Council has received the examiner's report relating to the Long Stratton Neighbourhood Plan. The report makes a number of recommendations for making modifications to policies within the Neighbourhood Plan. South Norfolk Council has made a decision to approve each of the examiner's recommendations and to allow the Neighbourhood Plan to proceed to a referendum within the neighbourhood area.

2. Background

Following the submission of the Long Stratton Neighbourhood Plan to South Norfolk Council in January 2021, the Neighbourhood Plan was published in accordance with Regulation 16 of the Neighbourhood Planning (General) Regulations 2012 and representations invited. The publication period took place between 22nd March and 6th May 2021.

The local planning authority, with the approval of Long Stratton Town Council, subsequently appointed an independent examiner, Mr Andrew Freeman, to conduct an examination of the submitted Neighbourhood Plan and conclude as to whether it meets the Basic Conditions (as defined by Schedule 4B of the Town and Country Planning Act 1990) and consequently whether the Plan should proceed to referendum.

The examiner's report concludes that, subject to making certain recommended modifications, the Neighbourhood Plan meets the basic conditions for neighbourhood planning and should proceed to a Neighbourhood Planning referendum within the adopted neighbourhood area.

3. Decision

Having considered each of the recommendations in the examiner's report and the reasons for them, South Norfolk Council has decided to approve each of the examiner's recommended modifications. This is in accordance with section 12 of Schedule 4B to the Town and Country Planning Act 1990. The Council considers this decision will ensure that the Neighbourhood Plan meets the basic conditions.

The following table sets out the examiner's recommended modifications, the Council's consideration of those recommendations, and the Council's decision in relation to each recommendation.

Subject to the modifications approved by South Norfolk Council, as set out in the table below, the Council is satisfied that the Neighbourhood Plan should proceed to a referendum within the neighbourhood area, in accordance with part 12(4) of Schedule 4B of the Town & Country Planning Act 1990.

Policy SC1 – Housing Mix	<p>Substitute the following for the text of Policy SC1:</p> <p>“Major residential development proposals (10 dwellings or more) will be supported where they incorporate a significant proportion (circa 70 percent) of two and three bedroom dwellings. Appropriate regard shall also be had to meeting the needs of 1) entry level purchasers on low and medium incomes for example by including flats and terraced housing; and 2) older people through accessible, adaptable general needs housing.</p> <p>An alternative housing mix must be justified by 1) an up-to-date assessment of existing needs applicable to Long Stratton; or 2) the site-specific context.”</p>	The Council agrees with the examiner that the original policy wording was unclear in terms of its requirements for providing a suitable mix of housing.	Accept examiner's recommended modification.

Accept examiner's recommended modification.

Policy E12 – Training Long Stratton's local workforce	Substitute the following for the second paragraph of Policy E12: "Where relevant and appropriate, development proposals which are anticipated to create a high number of job opportunities will be required, via a S106 planning obligation, to invest in local training and/or apprenticeship schemes."
