

The Sweet Chestnut Family Cycle Trails

Our trails are woodland cycle paths designed for beginners, children and families. The Butterfly and Toadstool trails are accessible for disability and adapted bikes. There are three trails to explore, each roughly 750 metres in length.

8 Steps for Cycle Safety

- | | | | |
|--|---|--|--|
| | Wear the gear – a helmet must be worn whilst riding | | Check the weather - be sure it's safe to cycle |
| | Children under 14 must be accompanied by an adult | | Look out – be mindful of other visitors |
| | Know your limit – only tackle challenges if you are sure you can do them | | Take note of the signs |
| | All our routes are one way only – be sure to follow the signs | | Let horse riders know you are close by ringing your bell or calling out |

Be nice - say hi!

Ensure everybody's enjoyment and safety on the trails by being kind and respectful to each other.

Use the designated rest areas to catch your breath and to explore the beautiful surroundings.

Keep the park how you'd like to find it, please take your rubbish home with you.

Can you spot?

- A squirrel
- Homes for birds
- A woodpecker
