Hi Rosie

Following on from previous emails (see below) I can now forward my Council's response as follows:

The Planning Committee decided that, following consideration, the variation should be refused as the application compromises each of the four statutory objectives as follows:

The prevention of crime and disorder

- The staffsafe system acts as a deterrent to people committing acts of a violent and anti-social nature. The proposed removal of the system removes this deterrent.

Public safety

- The fast-food restaurant is in a relatively remote location in that it does not have neighbouring properties. Historically, the area has been known for its crime. Any removal of the staffsafe system, which is seen as a deterrent to acts of crime being committed, will increase the safety concerns of members of the public visiting the fast-food restaurant.

The prevention of public nuisance

- Removal of the staffsafe system could result in an increase of the threat of violence, acts of aggression and anti-social behaviour.
- Removal of the staffsafe system in association with the restaurant's proximity to both the A11 and A47 could increase acts of crime associated with County Lines.

The protection of children from harm

- The removal of the staffsafe system could result in children being exposed to incidents of violence, drug taking/trafficking and anti-social behaviour.

With kind regards

Annette

Subject: Re: Full variation of a premises licence for McDonald's Restaurants, Norwich Road, Hethersett, Norfolk, NR9 3AU

Hi Rosie

Following a meeting of the Parish Council's Planning Committee last night, I can advise that members objected to the Premises Licence full variation application for McDonalds on the grounds that it comprises each of the four statutory objectives as well as increasing the risk of verbal abuse/attacks on staff.

With kind regards

Annette

Good Morning

I have received and accepted a Premises Licence Full Variation application for McDonald's Restaurants, Norwich Road, Hethersett, Norfolk, NR9 3AU

Applicant – *Bradecca Restaurants Ltd*

Details of the application

The Application to vary the Premises Licence is to remove condition number 3 from the Annex 2 conditions which states: "A Staffsafe system with both audio and visual monitoring capability will be installed in the restaurant. The system can be

activated by either fixed or mobile panic buttons and, once activated, the system links the restaurant to an external monitoring centre”.

This application is now subject to a 28 day consultation period expiring on the 12 December 2022. Should you wish to make representations, the Licensing Act 2003 provides a clear focus on the promotion of four statutory objectives which are: -

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

Each objective is of equal importance. These four statutory objectives are the only matters to be taken into account when determining licensing applications and associated operating schedules.

For further information please contact me on the details below.

Kind regards
