Welcome

One of our key ambitions is achieving economic success in the districts. As part of this commitment, we offer a variety of courses for your business or personal development, helping to start, support and grow local enterprise. From improving your knowledge of Microsoft Office to starting your own business, all our courses are delivered by freelance tutors who are experts in their chosen field.

We have been a trusted training provider for more than 25 years, offering high quality courses at affordable prices to help local businesses develop and succeed.

All training courses take place at Carrowbreck House – a spacious and comfortable learning environment just off Drayton High Road in Hellesdon, minutes from Norwich's outer ring road and the Broadland Northway.

Our range of courses are available to be delivered off-site at your premises should you prefer.

First aid courses

Level 3 emergency first aid at work

This course is designed to give participants the skills, knowledge and confidence that could be vitally important at work or at home. Attendees will receive an emergency first aid certificate, which is valid for three years and is recognised through the Health and Safety Executive (HSE).
