A key decision is an executive decision which will:

- (a) result in the Council spending, or saving a **significant** amount compared with the Budget for the service or function the decision relates to; or
- (b) to be **significant** in terms of its effects on communities living or working in an area, comprising two or more wards in the area of the Council, in that it will:
  - (i) Have a long-term, lasting impact on that community; or
  - (ii) Restrict the ability of individual businesses or residents in that area to undertake particular activities; or
  - (iii) Removes the provision of a service or facility for that community; or

- (iv) *Increases the charges payable by members of the community to provide a service or facility by more than 5%; or*
- (v) *Have the potential to create significant local controversy or reputational damage to the Council; or*
- (vi) *Is a matter that the decision maker considers to be a key decision.*

*When assessing whether or not a decision is a key decision the decision maker must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved will generally be considered to be a key decision if:*

- (a) the amount spent is £200,000 or more of revenue expenditure; or*
- (b) savings of £75,000 or more per annum, or*
- (c) capital expenditure of £200,000 or more (where a decision makes a commitment for spending over a period of time, it is the total commitment that must be considered to see if it is a key decision).*
