I mention this as, with the expanding parish, I imagine you may require a third polling station in future.	No change

SEA1	Easton Village Hall	1169	South Norfolk	Hingham (Yare Valley-2025)	Easton	Easton	No change	Parish Clerk - Whilst the existing Village Hall in Marlingford Road is still available as a Polling Station, Councillors have asked me to notify you of the new Community Centre which is currently being built in Easton. The new building is also in Marlingford Road and should be completed next year. Councillors believe this new venue will make an excellent polling station.	No change
SEA2	Great Melton Cricket Pavilion	117				Great Melton	No change	Parish Council - Great Melton Parish Council can confirm the Village Hall is a suitable building for a polling station however would like to add that the road has become busier over the years and as a result voters are placed at increased risk which is not helped by the current national speed limit. The location adjacent to the rural road (Hall Road), where the national speed limit of 60mph applies, renders access more hazardous, especially as visibility is particularly restricted on exit from the premises to Hall Road. SWN1	North Wymondham Community Centre	4918	South Norfolk	Wymondham	North Wymondham	Wymondham North	No change. However, interim polling district review will need to be carried out later in 2024, to take account of changes which come into affect for the Wymondham/Yare Valley CD in May, 2025	District Councillor - there is just one location for North Wymondham residents to cast their ballots, located at North Wymondham Community Centre on Lime Tree Avenue. Given the growth of new estates that side of Wymondham, it is possible that perhaps Wymondham Rugby Club on Bray Drive NR18 0GQ would be a suitable location? It is spacious and well known to residents in that part of Town. It is clear that just having the Community Centre location is not enough and voters on Oakwood/ Elm Farm/Beckets Grove/ Whispering Oaks have a bit of a journey to get to Limetree Avenue to cast a vote. Town Council - A possible location for Wymondham North ward is Wymondham Rugby Club at Barnards Field off Bray Drive.	Continue to investigate use of Wymondham Rugby Club and potentially creating a new polling district.
