**Barclays Bank UK PLC**  
**Business Delegated Authority Procedure**

**1. AIM OF THESE PROCEDURES**

The objective of these Procedures is to provide certainty and clear controls around who may bind Barclays Bank UK PLC ('BBUKPLC' or the 'Bank').

These Procedures will apply to all Business Units (including all future and successor business units) of BBUKPLC.

To avoid doubt, these Procedures are intended to apply only to documents and deeds which purport to bind the Bank in its relationships with third parties, not to purely internal or administrative documentation, such as invoices, expense approvals and so forth.

**2. SCOPE OF AUTHORITY TO SIGN DOCUMENTS AND DEEDS**

**2.1 Authorised Signatories**

All employees of the Bank of Director grade (or equivalent) and above (the 'Relevant Employees') engaged, from time to time, in the ordinary course of the business of BBUKPLC will, by virtue of their grade, be made Authorised Signatories of the Bank ('Authorised Signatories').

Each Authorised Signatory will have the power to sign any document or deed in the ordinary course of the business of the Bank, within the limits of these Procedures. For the avoidance of doubt, the ordinary course of business does not include matters reserved to the Board and certain other transactions including, but not limited to, the issuance of equity; any matter which creates additional personal or criminal liability for any director of Barclays PLC, BBUKPLC or any other Barclays Group Company; or creates a contingent liability for Barclays. If you are in any doubt you should seek advice from your local legal team.

**2.2 Place of Exercise of Authority**

For tax purposes, the location at which a document or deed is executed is indicative of the location in which the charge to tax arises on the revenue from the transaction. Documents and deeds must be physically signed in the location which is undertaking the transaction. This will ensure that taxes arise where they are expected. Exceptions to this must be notified to Barclays Tax.

For example, documents and deeds relating to a transaction being undertaken by a business team in France should be signed in the UK and not, for example, in the UK where the usual Authorised Signatory might be travelling while on business. Instead another Authorised Signatory who is able to sign in the UK should be found.

**2.3 Business Area Limit**

Authorised Signatories may only sign or countersign documents or deeds that they fully approve of and are within or ancillary to their business area. It is the Authorised Signatory's responsibility to ensure that the approval and signing of documents and deeds is conducted in compliance with all policies and procedures that apply to the Bank in relation to the execution of documents and deeds. Consideration must also be given to the compliance of any document with any applicable Ring Fencing Rules. The Authorised Signatory is responsible for the correctness of the transaction, document or deed even if another authorised signatory has already signed, regardless of their position.

These procedures do not deal with the various internal approvals which may be required in connection with signing authorities, for example securities issuance (for example, capital application(s), new product committee and compliance approvals and any credit or risk committee approvals). All internal approvals must be in place before any documents or Deeds are signed or executed by an Authorised Signatory.

Authorised Signatories may not sign any powers of attorney and may not delegate their signing authority.

**Barclays Bank UK PLC**  
**Business Delegated Authority Procedure**

**2.4 Financial limits**

The powers granted to Authorised Signatories pursuant to the Procedures and General Power of Attorney are separate from and have no impact on the financial limits that individuals may approve. Authorised Signatories may sign documents and deeds which exceed their financial authority provided that the necessary approvals have been obtained and evidenced. It is the Authorised Signatory's responsibility to ensure that the necessary approvals have been obtained and take responsibility for the documents and deeds that they sign.

**2.5 Power of attorney**

A power of attorney will be executed granting Relevant Employees the power to sign documents or execute and deliver deeds in the ordinary course of the business of the Bank (the 'General Power of Attorney'). Barclays Corporate Secretariat will arrange for execution of the General Power of Attorney under the common seal of the Bank and be granted authority to issue additional Powers of Attorney on an annual basis, or from time to time as may be required. Each General Power of Attorney will expire after a period of no more than 12 months.

**2.6 Changes to list of Authorised Signatories**

Persons who are not an Authorised Signatory at the time the General Power of Attorney is executed will automatically become an Authorised Signatory by being appointed as a Relevant Employee. Relevant Employees who leave the Barclays Group will automatically cease to be Authorised Signatories.

In exceptional cases, each Business Unit's General Counsel may also terminate any Authorised Signatory's authority while that person is still a Relevant Employee by notifying Barclays Corporate Secretariat (and notifying the Relevant Employee and other employees in the business as appropriate). Barclays Corporate Secretariat will maintain a list of individuals who have had their authority revoked.

**2.7 Providing evidence to third parties of an Authorised Signatory's authority**

Requests for certified copies of the Power of Attorney should be made to Barclays Corporate Secretariat. Certificates of Authority can also be issued upon request.

**2.8 Powers of attorney issued outside these Procedures**

For the avoidance of doubt, no specific powers of attorney issued by Barclays Corporate Secretariat will be revoked or otherwise impacted by these Procedures.

**3. GOVERNANCE**

These Procedures may not be amended without the consent of the Sponsor, except with the prior approval of the Resolutions Committee.

- (a) Sponsor – Head of Barclays Corporate Secretariat.
- (b) Owner – Barclays Corporate Secretariat.
- (c) Date last revised – March 2018

A breach of these Procedures may result in disciplinary action that could lead to dismissal.
